Services meets quality

Douro Roofing has been servicing Greater Sudbury and surrounding areas in the roofing industry for over 35 years. Douro Roofing has installed and removed a vast variety of roofing systems, as well, have encountered virtually every scenario in regards to the roofing application process.

Our focus and goal, is to provide excellent customer service along with quality workmanship in all roofing applications, which provide long term protection to our customers investments. Douro Roofing's quality assurance program works hand in hand with all the major roofing manufacturers in Canada and the US to ensure each system is installed with the utmost quality strictly adhering to the specifications set out by the manufacturer

Alongside of quality workmanship, Douro Roofing strongly believes in providing a safe work environment for both our employees and the people in and around our jobsites. Douro Roofing maintains continual communication between all parties involved in each roofing project, ensuring all concerns and questions are being addressed and met. We at Douro understand that safety is number one. As such, we take the necessary steps to ensure that all individuals return safely to their homes at the end of each day.
